Adjustments are not retroactive to previous contract terms. This information shall be provided per type of premium, ie per line item. The retention amount is not subject to adjustment. The Government reserves the right to have an independent third party review the balance sheet and claims and make recommendations regarding the appropriateness of the requested adjustment. Any adjustment shall be subject to mutual agreement of the parties and shall result in a written modification to the contract. Mutually agreed to adjustments shall be effective thirty days after complete information is received by the Government. Any failure to reach agreement under this clause shall be subject to the procedures in the Disputes clause.

The Contractor agrees to provide all documentation necessary to support any requested adjustment.

This designee shall be identified as a Contracting Officer's Representative (COR). Such designation shall specify the scope and limitations of the authority so delegated; provided, that the designee shall not change the terms or conditions of the contract, unless the COR is a warranted Contracting Officer and this authority is delegated in the designation.

G.2.2. In addition, the COR shall maintain updated list of employees and dependents insured, which will supersede the initial list provided under this contract and as reported to the insurer or/and "through the broker" without prejudice to the ineligibility clause.

G.2.3. The COR has the additional responsibility of maintaining the eligible listing of employees and dependents for insurance coverage.

G.2.4. The COR may not change the terms and conditions of the contract. While the COR is authorized to provide the Contractor with updated listings of eligible employees and dependents, only the Contracting Officer may modify existing task orders or issue new task orders, reflecting these changes, since only the Contracting Officer can obligate funding and commit the Government.

Payment shall be made in the currency identified in B.2.2

G.4. SUBMISSION OF INVOICES AND PAYMENT

G.4.1. Invoices for U.S. Government employees shall be submitted in an original and three (3) copies to the following address (designated billing office only for the purpose of submitting invoices):

If the Contracting Officer requests a refund, the Contractor shall make that refund to the Government within ten calendar days of receipt of the request.

G.6. VALUE ADDED TAX

The Government will not reimburse the Contractor for VAT under this contract. The Contractor shall not include a line for VAT on Invoices as the U.S. Embassy has a tax exemption certificate with the host government.

This new task order will include all changes made since the previous task order was issued and will include any increase or decrease in necessary funding. The changes to the list of eligible individuals will supersede the initial list provided under prior task orders without prejudice to the ineligibility clause. Task orders will indicate the effective date of employment, for purposes of calculating the premium due.

52.216-18 - ORDERING (AUG 2020)

- (a) Any supplies and services to be furnished under this contract shall be ordered by issuance of delivery orders or task orders by the individuals or activities designated in the Schedule. Such orders may be issued from the first day of the ongoing performance period through the last day of that performance period. See F.2.
- (b) All delivery orders or task orders are subject to the terms and conditions of this contract. In the event of conflict between a delivery order or task order and this contract, the contract shall control.

 - (3) If sent electronically, the Government either –

(End of clause)

52.216-19 - ORDER LIMITATIONS (OCT 1995)

- (a) Minimum order. When the Government requires supplies or services covered by this contract in an amount of less than *one annual premium*, the Government is not obligated to purchase, nor is the Contractor obligated to furnish, those supplies or services under the contract.
- (b) Maximum order. The Contractor is not obligated to honor-

- (1) Any order for a single item in excess of **7500 insurance plans**;
- (2) Any order for a combination of items in excess of **1000 insurance plans**;

(End of clause)

52.216-21 - REQUIREMENTS (OCT 1995)

(a) This is a requirements contract for the supplies or services specified, and effective for the period stated, in the Schedule. The quantities of supplies or services specified in the Schedule are estimates only and are not purchased by this contract. Except as this contract may otherwise provide, if the Government's requirements do not result in orders in the quantities described as "estimated" or "maximum" in the Schedule, that fact shall not constitute the basis for an equitable price adjustment.

(b) Delivery or performance shall be made only as authorized by orders issued in accordance with the Ordering clause. Subject to any limitations in the Order Limitations clause or elsewhere in this contract, the Contractor shall furnish to the Government all supplies or services specified in the Schedule and called for by orders issued in accordance with the Ordering clause. The Government may issue orders requiring delivery to multiple destinations or performance at multiple locations.

(c) Except as this contract otherwise provides, the Government shall order from the Contractor all the supplies or services specified in the Schedule that are required to be purchased by the Government activity or activities specified in the Schedule.

(d) The Government is not required to purchase from the Contractor requirements in excess of any limit on total orders under this contract.

The contract shall govern the Contractor's and Government's rights and obligations with respect to that order to the same extent as if the order were completed during the contract's effective period; provided, that the Contractor shall not be required to make any payments under this contract after the termination of this contract except for outstanding reimbursement for claims during the term of this contract.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 60 months or 5 years.

(End of clause)

52.229-12 Tax on Certain Foreign Procurements (JUN 2020)

(a) *Definitions.* As used in this clause—

Foreign person means any person other than a United States person.

United States person, as defined in 26 U.S.C. 7701(a)(30), means—

- (1) A citizen or resident of the United States;
- (2) A domestic partnership;
- (3) A domestic corporation;
- (4) Any estate (other than a foreign estate, within the meaning of 26 U.S.C. 7701(a)(31)); and
- (5) Any trust if—
 - (i) A court within the United States is able to exercise primary supervision over the administration of the trust; and
 - (ii) One or more United States persons have the authority to control all substantial decisions of the trust.

(b) This clause applies only to foreign persons. It implements 26 U.S.C. 5000C and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c)

(1) If the Contractor is a foreign person and has only a partial or no exemption to the withholding, the Contractor shall include the Department of the Treasury Internal Revenue Service Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, with each voucher or invoice submitted under this contract throughout the period in which this status is applicable. The excise tax withholding is applied at the payment level, not at the contract level. The Contractor should revise each IRS Form W-14 submission to reflect the exemption (if any) that applies to that particular invoice, such as a different exemption applying. In the absence of a completed IRS Form W-14 accompanying a payment request, the default withholding percentage is 2 percent for the section 5000C withholding for that payment request. Information about IRS Form W-14 and its separate instructions is available via the internet at www.irs.gov/w14.

(2) If the Contractor is a foreign person and has indicated in its offer in the provision 52.229-11, Tax on Certain Foreign Procurements—Notice and Representation, that it is fully exempt from the withholding, and certified the full exemption on the IRS Form W-14, and if that full exemption no longer applies due to a change in circumstances during the performance of the contract that causes the Contractor to become subject to the withholding for the 2 percent excise tax then the Contractor shall—

- (i) Notify the Contracting Officer within 30 days of a change in circumstances that causes the Contractor to be subject to the excise tax withholding under 26 U.S.C. 5000C; and
- (ii) Comply with paragraph (c)(1) of this clause.

(d) The Government will withhold a full 2 percent of each payment unless the Contractor claims an exemption. If the Contractor enters a ratio in Line 12 of the IRS Form W-14, the result of Line 11 divided by Line 10, the Government will withhold from each payment an amount equal to 2 percent multiplied by the contract ratio. If the Contractor marks box 9 of the IRS Form W-14 (rather than completes Lines 10 through 12), Contractor must identify and enter the specific exempt and nonexempt amounts in Line 15 of the IRS Form W-14; the Government

will then withhold 2 percent only from the nonexempt amount. See the IRS Form W-14 and its instructions.

(e) Exemptions from the withholding under this clause are described at 26 CFR 1.5000C-1(d)(5) through (7). Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue.

- (f) Taxes imposed under 26 U.S.C. 5000C may not be—
- (1) Included in the contract price; nor
 - (2) Reimbursed.

(g) A taxpayer may, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. K.7. 52.209-5 CERTIFICATION REGARDING RESPONSIBILITY MATTERS (OCT 2015)

(a) (1) The Offeror certifies, to the best of its knowledge and belief, that --

(i) The Offeror and/or any of its Principals --

(A) Are ☐ are not ☐ presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(B) Have ☐ have not ☐, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property (if offeror checks "have", the offeror shall also see 52.209-7, if included in this solicitation); and

(C) Are [] are not [] presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in paragraph (a)(1)(i)(B) of this provision; and

(D) Have [], have not [], within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied.

(1) Federal taxes are considered delinquent if both of the following criteria apply:

(i) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(ii) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(2) Examples.

(i) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(ii) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(iii) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(v) The Offeror has [] has not [], within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

(2) “Principal,” for the purposes of this certification, means an officer; director; owner; partner; or a person having primary management or supervisory responsibilities within a business entity (*e.g.*, general manager; plant manager; head of a division or business segment; and similar positions).

(a) This Certification Concerns a Matter Within the Jurisdiction of an Agency of the United States and the Making of a False, Fictitious, or Fraudulent Certification May Render the Maker Subject to Prosecution Under Section 1001, Title 18, United States Code.

(b) The Offeror shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the certification will be considered in connection with a determination of the Offeror's responsibility. Failure of the Offeror to furnish a certification or provide such additional information as requested by the Contracting Officer may render the Offeror nonresponsible.

(d) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract resulting from this solicitation for default.

(End of provision)

K.8. 52.209-13 - VIOLATION OF ARMS CONTROL TREATIES OR AGREEMENTS – CERTIFICATION (JUN 2018)

(a) This provision does not apply to acquisitions below the simplified acquisition threshold or to acquisitions of commercial items as defined at FAR 2.101.

(b) Certification. [Offeror shall check either (1) or (2).]

_____ (1) The Offeror certifies that—

(i) It does not engage and has not engaged in any activity that contributed to or was a significant factor in the President's or Secretary of State's determination that a foreign country is in violation of its obligations undertaken in any arms control, nonproliferation, or disarmament agreement to which the United States is a party, or is not adhering to its arms control, nonproliferation, or disarmament commitments in which the United States is a participating state. The determinations are described in the most recent unclassified annual report provided to Congress pursuant to section 403 of the Arms Control and Disarmament Act (22 U.S.C. 2593a). The report is available via the internet at <https://www.state.gov/t/avc/rls/rpt/>; and

(ii) No entity owned or controlled by the Offeror has engaged in any activity that contributed to or was a significant factor in the President's or Secretary of State's determination that a foreign country is in violation of its obligations undertaken in any arms control, nonproliferation, or disarmament agreement to which the United States is a party, or is not adhering to its arms control, nonproliferation, or disarmament commitments in which the United States is a participating state. The determinations are described in the most recent unclassified annual report provided to Congress pursuant to section 403 of the Arms Control and Disarmament

Act (22 U.S.C. 2593a). The report is available via the internet at <https://www.state.gov/t/avc/rls/rpt/>; or

_____ (2) The Offeror is providing separate information with its offer in accordance with paragraph (d)(2) of this provision.

(c) *Procedures* for reviewing the annual unclassified report (see paragraph (b)(1) of this provision). For clarity, references to the report in this section refer to the entirety of the annual unclassified report, including any separate reports that are incorporated by reference into the annual unclassified report.

(1) Check the table of contents of the annual unclassified report and the country section headings of the reports incorporated by reference to identify the foreign countries listed there. Determine whether the Offeror or any person owned or controlled by the Offeror may have engaged in any activity related to one or more of such foreign countries.

(2) If there may have been such activity, review all findings in the report associated with those foreign countries to determine whether or not each such foreign country was determined to be in violation of its obligations undertaken in an arms control, nonproliferation, or disarmament agreement to which the United States is a party, or to be not adhering to its arms control, nonproliferation, or disarmament commitments in which the United States is a participating state. For clarity, in the annual report an explicit certification of non-compliance is equivalent to a determination of violation. However, the following statements in the annual report are not equivalent to a determination of violation:

- (i) An inability to certify compliance.
- (ii) An inability to conclude compliance.
- (iii) A statement about compliance concerns.

(3) If so, determine whether the Offeror or any person owned or controlled by the Offeror has engaged in any activity that contributed to or is a significant factor in the determination in the report that one or more of these foreign countries is in violation of its obligations undertaken in an arms control, nonproliferation, or disarmament agreement to which the United States is a party, or is not adhering to its arms control, nonproliferation, or disarmament commitments in which the United States is a participating state. Review the narrative for any such findings reflecting a determination of violation or non-adherence related to those foreign countries in the report, including the finding itself, and to the extent necessary, the conduct giving rise to the compliance or adherence concerns, the analysis of compliance or adherence concerns, and efforts to resolve compliance or adherence concerns.

(4) The Offeror may submit any questions with regard to this report by email to NDAA1290Cert@state.gov. To the extent feasible, the Department of State will respond to such email inquiries within 3 business days.

(d) Do not submit an offer unless—

(1) A certification is provided in paragraph (b)(1) of this provision and submitted with the offer; or

(2) In accordance with paragraph (b)(2) of this provision, the Offeror provides with its offer information that the President of the United States has—

(i) Waived application under U.S.C. 2593e(d) or (e); or

(ii) Determined under 22 U.S.C. 2593e(g)(2) that the entity has ceased all activities for which measures were imposed under 22 U.S.C.2593e(b).

(e) *Remedies.* The certification in paragraph (b)(1) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly submitted a false certification, in addition to other remedies available to the Government, such as suspension or debarment, the Contracting Officer may terminate any contract resulting from the false certification.

K.14. 52.229-11 Tax on Certain Foreign Procurements—Notice and Representation (JUN 2020)

(a) *Definitions.* As used in this provision—

Foreign person means any person other than a United States person.

Specified Federal procurement payment means any payment made pursuant to a contract with a foreign contracting party that is for goods, manufactured or produced, or services provided in a foreign country that is not a party to an international procurement agreement with the United States. For purposes of the prior sentence, a foreign country does not include an outlying area.

United States person as defined in 26 U.S.C. 7701(a)(30) means—

- (1) A citizen or resident of the United States;
- (2) A domestic partnership;
- (3) A domestic corporation;
- (4) Any estate (other than a foreign estate, within the meaning of 26 U.S.C. 701(a)(31)); and
- (5) Any trust if—

(i) A court within the United States is able to exercise primary supervision over the administration of the trust; and

(ii) One or more United States persons have the authority to control all substantial decisions of the trust.

(b) Unless exempted, there is a 2 percent tax of the amount of a specified Federal procurement payment on any foreign person receiving such payment. See 26 U.S.C. 5000C and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c) Exemptions from withholding under this provision are described at 26 CFR 1.5000C-1(d)(5) through (7). The Offeror would claim an exemption from the withholding by using the Department of the Treasury Internal Revenue Service Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, available via the internet at www.irs.gov/w14. Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue. The IRS Form W-14 is provided to the acquiring agency rather than to the IRS.

(d) For purposes of withholding under 26 U.S.C. 5000C, the Offeror represents that—

- (1) It ☐ is ☐ is not a foreign person; and
- (2) If the Offeror indicates “is” in paragraph (d)(1) of this provision, then the Offeror represents that—I am claiming on the IRS Form W-14 ☐ a full exemption, or ☐ partial or no exemption [*Offeror shall select one*] from the excise tax.

(e) If the Offeror represents it is a foreign person in paragraph (d)(1) of this provision, then—

(1) The clause at FAR 52.229-12, Tax on Certain Foreign Procurements, will be included in any resulting contract; and

(2) The Offeror shall submit with its offer the IRS Form W-14. If the IRS Form W-14 is not submitted with the offer, exemptions will not be applied to any resulting contract and the Government will withhold a full 2 percent of each payment.

(f) If the Offeror selects “is” in paragraph (d)(1) and “partial or no exemption” in paragraph (d)(2) of this provision, the Offeror will be subject to withholding in accordance with the clause at FAR 52.229-12, Tax on Certain Foreign Procurements, in any resulting contract.

(g) A taxpayer may, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. **For questions relating to the interpretation of the IRS regulations go to <https://www.irs.gov/help/tax-law-questions>.**

The proposals shall contain documents filled out in strict conformance with the detailed instructions set forth as follows:

L.4.1. Volume 1 -- Standard Form 33: Complete Blocks 12 through 18, as appropriate and fill in all the blanks in Section K of this solicitation.

L.4.2. Volume 2 -- Price Proposal and fill in Section B.

- (a) Price proposal for the base year;
- (b) Price proposal for the option years;

however, a price proposal for an option year with no proposal for the base year will not be considered, nor will a proposal for a base period which does not include a proposal for all option periods.

L.4.3. Volume 3, Technical Proposal - Instructions to Offerors

The technical proposal must be submitted in four separate parts as described below.

Part 1, Health Insurance Services:

Section C.1 defines the required minimum benefits and corresponding coverages. These are the minimally acceptable levels of coverage. If offerors choose to include additional benefits or higher coverages than the required minimums this is acceptable; however, evaluations will be based on meeting the stated minimums only. For each benefit listed, proposals must clearly state its coverage. Any proposal that reduces a benefit definition or offers lower than the minimum required coverage may be determined technically unacceptable. The resultant contract will contain the actual proposed coverages or increased benefit offerings if they exceed the solicitation's minimum requirements.

Multiple proposals - If an offeror has multiple plans available that meet or exceed the minimum benefit levels and wants to propose them, a separate proposal with its respective prices must be submitted individually for each.

Suggested format – It's the offeror's responsibility to ensure their proposal is clear and meets all requirements. An example of an acceptable format for Part 1 is to submit a table that lists the Section C benefit definitions in one column and in the adjoining column list the proposed coverage.

Part 2, Understanding of the Requirement:

Part 2 requires the offeror to demonstrate it understands the solicitation requirements and has an acceptable approach to managing the contract. This may be shown through corporate literature, medical plan brochures, reports, surveys and other narrative descriptions of its internal systems. Proposals must provide clear and adequate responses to each of the following criterion:

1. Describe the offeror's knowledge, history, and familiarity in providing health insurance to groups of employees.
2. Describe overall management approach to provide the required services.

3. Provide the resume/CV of the person who will be responsible for managing this contract, and who will be the first point-of-contact for the Embassy. This person shall be able to acceptably communicate all matters related to this contract in English; and have a minimum of two years' experience in the local or international insurance industry with customers having similar requirements to include magnitude of personnel.
4. Describe the pool(s) of coverage the offeror uses to administer its insurance; which pool of coverage the employees under this requirement will be contained, and what percentage of that pool they would represent.
5. Provide results of the offeror's most recent two audits and/or annual reports with clear summaries of financial performance that show the business is operating profitably.
6. Provide the quality assurance plan the offeror will use under this contract. This plan should describe the: schedule of regular internal meetings to discuss issues and performance; schedule of monthly or quarterly surveys and/or communications via email to customers to solicit feedback on performance and discuss issues; and schedule of quarterly or semi-annual plans to review performance and discuss issues with Embassy officials.
7. Describe how, and at what monetary level, the offeror will maintain an adequate reserve level to pay claims.
8. Describe how the offeror will provide the Embassy regular monthly reports on claims submission, processing times, claim expenditures, and other matters important to good overall management of the contract (see H.5).
9. Describe the offeror's claims workflow system and timeframes at each processing point to fully process claims (from initial receipt to final settlement).
10. Describe the offeror's customer service system and mechanism for receiving and promptly addressing customer inquiries and complaints.
11. Provide the most recent results of customer satisfaction surveys, if available.

Part 3, Experience and Past Performance:

The offeror must list all contracts and subcontracts it has held over the past three years for the same or similar work. Provide the following information for each contract and subcontract:

1. Current or previous customer's organization name, address, email address, and telephone number for whom similar insurance and services were provided.
2. Identifying contract number, when (period of performance), and where the insurance was provided.

3. Type of insurance provided and range of population covered, as well as total dollar amount.
4. Brief description of and comparability to the work required under this solicitation.
5. Brief description of any performance problems and how they were resolved.

Part 4, Licensing Information:

The offeror shall include a notarized copy of the most current license/certificate/-accreditation, which demonstrates that the offeror is licensed/certified/accredited or otherwise authorized by the Government of Togo or its agent (e.g., insurance commission, board) to provide health insurance coverage to persons (to include organizations, companies, groups) within the host country. If the offeror is not licensed/certified/accredited or otherwise authorized by the Government of Togo it must demonstrate that it is licensed/certified/accredited by a government other than Togo to provide health insurance for persons in Togo and must demonstrate its capacity to provide health benefits in Togo to meet the minimum requirements and other conditions set forth in this solicitation.

This section shall demonstrate that the offeror is licensed/certified/accredited through no less than the final day of the base performance period and that the offeror is eligible for renewal for the option periods. This section shall also summarize and describe any probationary, disciplinary or actions taken upon the offeror, which are in force or are about to be imposed upon the offeror by the Government of Togo or its agents.

Failure to demonstrate that the offeror is an authorized insurance company permitted to write and administer health insurance policies in Togo shall be grounds for rejection of the proposal.

L.4.3.3. Profit Sharing Credit

The offeror shall indicate whether any insurance plan offered will be subject to participation in any profit sharing credit program, pooling agreement (including multinational agreements) or any other premium credit procedure. If this is applicable, please describe. This is for evaluation only to distinguish between otherwise equally priced, technically acceptable proposals and will not be considered in determining the lowest-priced offeror.

L.4.3.4 Employee Pool

The offeror shall describe the pool that will apply to the employees under this contract. The offeror will describe the size of the pool, whether it is a mixture of commercial and government (if applicable), alternative pools that are available in the event the economic price adjustment clause becomes effective.

SECTION M EVALUATION FACTORS FOR AWARD

M.1. EVALUATION OF PROPOSALS

M.1.1. General. To be acceptable and eligible for evaluation, proposals must be prepared in accordance with Section L - INSTRUCTIONS, CONDITIONS AND NOTICES TO OFFERORS, and must meet all the requirements set forth in the other sections of this solicitation. Acceptable proposals will be evaluated pursuant to this section, and award shall be made as set forth in M.3 below.

M.2. OVERALL EVALUATION

Proposals will be evaluated in two phases: a technical evaluation to determine the acceptability of the offer to the solicitation technical requirements; and a price evaluation to determine the total evaluated price proposed by each offeror. The "total evaluated price" is the cumulative total of the base year insurance plus all option years for the total estimated quantity specified in Section B. The "total evaluated price" will not include any Rider pricing.

The Government will make a responsibility determination by analyzing whether the apparent successful offeror complies with the requirements of FAR subpart 9.1, including:

- Adequate financial resources or the ability to obtain them;
- Ability to comply with the required performance period, taking into consideration all existing commercial and governmental business commitments;
- Satisfactory record of integrity and business ethics;
- Necessary organization, experience, and skills or the ability to obtain them;
- Necessary equipment and facilities or the ability to obtain them; and
- Be otherwise qualified and eligible to receive an award under applicable laws and regulations.

M.3. AWARD SELECTION

M.3.1. General. The award selection will go to the lowest priced, technically acceptable, responsible offeror. As described in FAR 52.215-1, "Instructions to Offerors - Competitive Acquisition," which is incorporated by reference in Section L, award may be made based upon initial offers, without discussions. The offeror must also be licensed/certified/accredited.

M.3.2. Profit Sharing Credit Plan

In the event of equal proposals and in the event that one offeror presents an acceptable Profit Sharing Credit plan, the offeror proposing the most generous plan, in terms of benefit to the

Government will receive the award. This profit sharing credit plan will be part of the resultant contract.

M.4. FIXED PRICES

Offerors must propose fixed prices for the coverage identified in Section B - SERVICES AND PRICES. Proposals that do not include fixed prices cannot be evaluated for the total requirement and will be rejected.

M.5. TECHNICAL EVALUATION

Offers will be evaluated on:

(i) Meeting each of the individual mandatory requirements/minimums for health insurance coverage specified in Section C through H and submitting an acceptable management approach (Part 2 under L.4.3) indicating how vendor will administer the plan and demonstrate an understanding, knowledge and familiarity of the requirements. The Government may reject, as technically, unacceptable proposals that:

(a) Fail to provide at least the minimum reimbursement levels for each benefit required by the solicitation; or

(b) Fail to demonstrate how solicitation requirements will be met.

(ii) The demonstration that the offeror is licensed/certified/accredited or otherwise authorized by the Government of Togo or its agent (e.g., insurance commission, board) to provide health insurance coverage to persons (to include organizations, companies, groups) within the host country. If the offeror is not licensed/certified/accredited or otherwise authorized by the Government of Togo, it must demonstrate that it is licensed/certified/accredited by a government other than that of the host country to provide health insurance for persons in Togo and must demonstrate its capacity to provide health benefits in Togo to meet the minimum requirements and other conditions set forth in this solicitation; and,

(iii) Acceptable relevant Experience and Past Performance; and

(iv) Meet all other terms and conditions set forth in this solicitation.

M.6. 52.217-5 EVALUATION OF OPTIONS (JULY 1990)

The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. Evaluation of options will not obligate the Government to exercise the option(s).

M.7. PRICE EVALUATION

For the purpose of evaluation, and for no other purpose, evaluation of prices submitted will be made on the basis that the Government will order the estimated quantities shown in Section B – SERVICES AND PRICES, of this solicitation. The price evaluation will not include the price of any riders.

M.8. SEPARATE CHARGES

Separate charges, in any form, are not solicited. For example, proposals containing any charges for failure of the Government to exercise any options will be rejected. The Government shall not be obligated to pay any charges other than the contract price, including any exercised options.

M.9 AWARD WITHOUT DISCUSSIONS

In accordance with FAR provision 52.215-1 (included in Section L of this RFP), offerors are reminded that the Government may award this contract based on initial proposals and without holding discussions, pursuant to FAR 15.305(a).

M.10 52.225-17 EVALUATION OF FOREIGN CURRENCY OFFERS (FEB 2000):

If the Government receives offers in more than one currency, the Government will evaluate offers by converting the foreign currency to United States currency using the exchange rate used by the Embassy in effect as follows:

- (a) For acquisitions conducted using sealed bidding procedures, on the date of bid opening.
- (b) For acquisitions conducted using negotiation procedures—
 - (1) On the date specified for receipt of offers, if award is based on initial offers; otherwise
 - (2) On the date specified for receipt of proposal revisions.
